

## **Terms of Reference (TOR)**

### **Nutrition Officer**

#### **Background**

The Smallholder Agribusiness and Resilience Project (SARP) is co-funded by the International Fund for Agricultural Development (IFAD) and the Government of Sri Lanka. It aims to contribute to reduce poverty among small-scale farmers and increase food security and nutrition in dry zones by building resilience and enabling rural households to access markets in geographies affected by climate change. The project is focused in select hotspots in Vauniya, Mannar, Puttlam, Kurunegala and Mathale districts aligned across the Deduru oya, Mee oya and Malwathu Oya river basins.

#### **Scope of work:**

The Nutrition Officer will be required to support activities and assist the Nutrition Expert of the project. S/he will provide assistance with the implementation of project activities, including, but not limited to:

Specific duties of the incumbent will include but are not limited to the following:

1. Assist to the Nutrition Expert to select a team of Core Trainers to assist in preparing localized training materials on the relevance of improved nutrition to climate resilient productivity and livelihoods diversification.
2. Provide back-up support to the Core Team of Trainers, extension workers and service providers and community facilitators as the field level training programme is rolled out.
3. Assist to the Nutrition Expert to prepare a specialized training programme on nutrition for application within the Farmer Field School.
4. Assist to the Nutrition Expert for preparation of Nutrition Intervention Packages for the project area This includes developing nutritive-rich home gardens, nurseries, aquaculture and small-scale livestock (goats and dairy cows) activities and linking them to the BCC activities.
5. Deliver a short training on nutrition for the cadre of community facilitators to familiarize them with content and strategies for implementing the nutrition packages in their districts.
6. In consultation with District technical staff, IAs and ARPAs to prepare extension materials (IEC) in selected subject areas
7. Assist beneficiaries, groups and communities in the identification and preparation of micro-projects proposals and draw contracts based upon agreements concerning the target beneficiaries, type of activities, mode of operation (schedule, inputs, incentives, payment calendar, etc.) and quality standards.
8. Prepare workplans, periodic progress reports as and when required
9. Any other duties assigned by the project director
