SALES@DEKLOTECHNO.LK

Deklo Technology, a rising star in Sri Lanka's solar energy sector, has swiftly established itself as an industry leader. In a remarkably short time, we've successfully completed nearly 20 MW of solar projects — a testament to our expertise, innovation, and unwavering commitment to sustainable energy solutions.

As we continue to grow and expand our impact, we are looking for passionate and dedicated individuals to join our dynamic team. We are currently inviting applications for the following positions:

1. Technical Officer – Male

Job Role

- a) Visit sites for breakdowns and repair on-grid/off-grid inverters and related equipment.
- b) Support new installations with the team when necessary.

Requirement

- a) NVQ Level 4/ Diploma in Electrical or similar qualification
- b) Minimum 2 years of experience in solar PV/ general electrical work.
- c) Below 40 years of age.
- d) Hands-on experience in inverter programming and troubleshooting.
- e) Knowledge of on-grid solar PV systems.
- f) A valid riding license will be an added advantage

If you believe you have what it takes to be a valuable part of our dynamic team please send your CV to kotugodanirmala@gmail.com within 07 days of this advertisement.
